## Gold Hawk Bridge

The long awaited walking bridge between the Grantham Village School and the Fire Department was opened for use on September 29th, 2008. There was a ribbon cutting ceremony and the name of the bridge was decided by the students of the Village School. This bridge allows a safer and faster route for the children to evacuate to the Grantham Town Hall in the event of an emergency.

The bridge was designed and constructed by Green Links Construction, Inc.  
Engineered by Blakeman Engineering  
Steel structure by Barker Steel
