

THIS IS YOUR PARK

Welcome to Brookside Park. It is a richly endowed property originally gifted to Grantham by Emil and Tony Hanslin in 1984 and expanded in 2014 to its current 20 acres by the Grantham Conservation Commission. Please respect it. The bridges and trails have been established and are maintained by volunteer effort and were financed in large part by a generous gift from the Byrne Foundation. If you notice a problem, please give Town Hall a call to report it (603-863-6021).
