PURSUANT TO THE USE AND REMOVAL OF TOWN SAND
by TOWN RESIDENTS

Per order of the Grantham Board of Selectmen under authority granted to them by RSA 31:39, that Town sand shall be provided for all residents of the Town of Grantham, N.H. during the winter months; said sand being available for **private use only and to be collected by private individuals**. There shall be **NO** use of the sand facility by Commercial Sanding/Plow Operators.

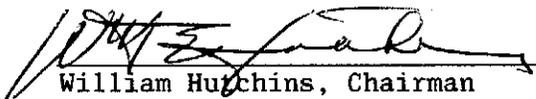

The Town will be responsible at all times for the replenishment of the sand receptacle. Should the receptacle be empty, it shall **not** be permissible to go to the Highway Garage sand pile. Residents should inform personnel of the condition of the receptacle. The town will be responsible to fill the same within 24 hours.

In the event of questions regarding use of the sand receptacle the judgement of the Road Agent will be final. In the event of questions regarding this by law, the judgement of the Board of Selectmen will be final.

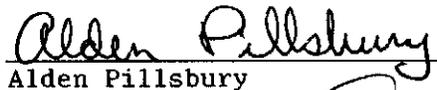

Whoever shall fail to comply with the provisions of the aforementioned by-law shall be guilty of a violation and subject to a fine of \$25.00 for each offense.

Effective Date: This By-law shall be effective upon adoption by the Board of Selectmen and upon recording of a copy of the same with the Grantham Town Clerk.

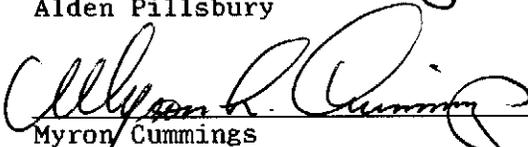

Given under our hands and seals this _____ day of April, 1995
