The regular meeting of the Grantham Energy Committee was called to order at 5:00 p.m. on Monday, January 7, 2019 by co-chair Chenevert.

Members Present: Jenna Chenevert, Paula Bresnick, Peggy Martineau, and Don Fitzpatrick

Visitors Present: none

Approval of November Minutes: Bresnick moved to approve the November minutes and Fitzpatrick seconded the motion. The vote was unanimous to approve the minutes.

Correspondence: none

Old Business:

Town Solar Project: Co-chair Chenevert told the Committee that there is no new information at this time regarding the proposed solar array on the Buckey property.

EV Chargers: The Committee is waiting to hear from commercial property owners who might be interested in having an EV charger installed.

Better Building solutions: The Committee decided to title the next education forum, “Energy Efficient Building Materials” to be held in May, either the 7th or the 14th depending on availability of the room at the Town Hall. The Committee will work over the next weeks to compile information, contacts and vendors for this forum. Bresnick commented on some packets she saw from another energy committee that the Committee might want to develop, perhaps contacting Vital Communities to see what they have to offer. She will contact Sara Brock.

New Business:

Schedule for upcoming meetings: The Committee decided not to meet in February.

The next scheduled meeting of the GEC is on Monday, March 4, 2019 at 5:00 p.m. at Grantham Town Hall.

Adjournment: Martineau made a move to adjourn. Bresnick seconded it at 5:28 p.m. The motion passed unanimously.
