

**Grantham Energy Committee  
Minutes  
January 9, 2017  
Jerry Whitney Memorial Conference Room  
300 Route 10 South**

---

**Attendance: Paula Bresnick, Kristina Burgard, Jenna Chenevert  
Don Fitzpatrick, Andy Gelston, Peggy Martineau,  
Jay Fountain, GCFD Chief**

**Meeting was brought to order at 5:04**

**Old Business: Norwich Technology's quote has been forwarded to the Selectboard for review and consideration at Weds. Jan. 10 meeting. Kristina Burgard will see that is on their agenda. Norwich Technology's solar array quote for GVS is awaiting review by key staff who are currently not available. This system also included a small array for their outdoor learning center.**

**Kristina Burgard was recognized for her submission to the Town Annual Report of this past years GEC undertakings. The committee is also grateful for her hard work on the wood heat Warrant Article that will be proposed at the March Town Meeting.**

**New Business:**

**The Heating Info Night has been divided into two evenings. The first, which will be held on Feb. 28 at 7:00 in the Town Hall will focus on High Efficiency Whole House Wood Furnaces. The second evening, May 2, will make available alternative heating sources such as HVAC/high efficiency fossil fuel/ biomass etc.**

**Motion to adjourn by Kristina Burgard, seconded by Paula Bresnick. 5:52**

**Next monthly meeting will be held on Feb. 6, 2017**
