

**Grantham Recreation Park Committee
Meeting Minutes from March 30, 2017 6:00 p.m.
Jerry Whitney Room
Town Offices, Town of Grantham, NH**

Acceptance of Minutes from Meeting on 17 November 2016

Old Business:

- Dedication of soccer field –Timken? Rock engraving –M. Googins/Matt Carl-Matt Carl could not attend but is working with a local vendor in Upper Valley to price out a bronze plaque at \$400.00. The committee is also going to look into having the company that created the pavers give a quote –if they do that kind of work. Marsha will be checking.
- Quote from Steve Hastings? for bathroom –Marsha will contact him over April break. (April 15th)
- Dugouts-Jay Fountain has plans/will work on this winter- emailed Jay...will follow through on this

New Business:

- Mt. Royal has asked about using our softball field for practices-this should be considered at selectboard meeting but no further requests have been made.
- Concession-moved from Additional business –meeting in November-
 - Marsha addressed with coaches at meeting on March 28, 2017.- Marsha made coaches aware at meeting on the 28th for a push to get parent’s support. Once the team schedules are done, a week to week sign-up will be available to parents. If there is not enough support, the concession will not be open. Must be parent driven for success.
- Pavers/Bricks –who will install in the spring (3)-will contact W. Legacy unless the pavers will just replace filler pavers, then maybe Glenn can do-will check when snow melts. Jenn Beaulieu mentioned that there are likely blank pavers that could just be pried out and the new pavers inserted. Marsha will check once snow melts.

- Courtesy signs-Marsha will get out and will install with zip ties where possible over April vacation. All others, she will contact Glenn to install.
- Purchase of new set of larger goals to hold tournaments for league next year-concession money maker. This was presented but it will be dependent on surplus of rec. revolving fund balance in June.

Additional Business:

- **Coach inquiries**-coaches were inquiring about having a scoreboard at the park. The consideration of a framed board hung on the side of the pavilion and painted with black board paint. It could display Guest/Home score; innings and outs.
- **Consideration**-of the donation of a gas stove/oven by Warren
